Developmentally appropriate objectives for our 3 through 4 year old students:

- Foster social skills and group play
- Acclimate children to the routines and rules of the school
- Encourage children to follow 1 and 2 step directions
- Improve gross and fine motor skills
- Foster self-help skills (such as putting on his/her own jacket)
- Identify uppercase letters and some letter sounds
- Identify numbers 1-10, matching numbers to objects and rote counting
- Sorting objects by size and by color
- Name recognition and begin writing own name in uppercase letters
